Responsibilities of Pathfindinging – *For the Pathfinder*

Being a Pathfinder is a different way to learn new things, have fun and discover Jesus' love for all of us. Your parents and the staff have made great commitments to provide this program for you. To participate as a Pathfinder you must also make a commitment in the following ways:

1. Your desire to be in Pathfinders should be genuine. Honest effort must be put into your activity diary (class work) and other Pathfinder activities. If true commitment is not evident in your class work and other activities you may be asked to drop your membership.
2. Attendance and participation is required for all club activities. If your meeting attendance record falls below 85% you will not be eligible for class advancement, field trips and camping trips, including camporees. Regardless of your attendance record, attendance is required the meeting prior to a camping trip to be eligible to go.
If you cannot attend a meeting, phone contact with your Counselor/Director by your parents is required. You will be responsible for making up any work missed during your absence. Perfect attendance is recognized and awarded during the investiture program.
3. The Pathfinder uniform signifies who you are and what we stand for. The correct uniform for the right event is essential for all club activities. It is your responsibility to know what to wear for all activities and make sure your uniform is ready to wear, neat, clean, pressed, with all necessary patches, and in good condition. It would be a shame to send you home because you are in the wrong uniform. Uniforms are listed on the schedule for each event.
4. Pathfinders must balance time very carefully. With school work, extracurricular activities and Pathfinder class work it is your responsibility to juggle all these successfully. Your counselor can help you if you ask. Sometimes school assignments can be used for Pathfinder class work and vice versa. Your counselor might also be able to help you with a time schedule that if used will help you complete all your required work.
5. Being a Pathfinder is for you. The Pathfinder program is about your growth with Jesus Christ and his love for each one of us. It's also about having fun. So... it is your responsibility to always have fun and if you are not the staff would like to know how to make things more interesting and fun for you. Please tell us. If possible we will make changes to make this a positive experience for you.
6. Above all, live by the Pathfinder Pledge, Law, and uphold all club rules. By following these standards your reward will be great, not only on earth but in heaven.

Responsibilities of Pathfinding – *For the Parent/Guardian*

The Pathfinder experience involves a large commitment on the part of all those involved. The Pathfinder staff has dedicated numerous hours to ensure an effective and productive Pathfinder program. It is our belief that being a Pathfinder is an integral part of the Christian experience of your child. To facilitate the staff effectively reaching that goal, we ask your cooperation in the following areas as part of the Patterson Redeemer Pathfinder Club:

1. Pathfinder meetings begin promptly at 6:00pm. Please make necessary arrangements to have your child at the meeting location no later than 5:55pm. Pathfinder meetings end at 7:30 pm. Please make necessary arrangements to pick up your child no later than 7:40 pm. Only authorized adults noted on the application form may pick up your Pathfinder. If transportation is an issue, talk with a member of the Pathfinder staff and we'll work on finding a solution.
2. Being involved with a Pathfinder club is a team effort and the parents are one of the most important members of the team. On a regular basis, check the progress your child is making on his/her activity diary, or even better, become part of that learning process by working closely with their counselor.
3. All parents are encouraged to commit to at least 10 hours of participation. There are many areas where help is needed. They include fundraising, Camporee preparation, field trip chaperone, honor instruction and transportation.
4. Your Pathfinder should participate in all planned meetings and activities. Many of these events are directly related to the completion of their class work and are required for Investiture and Class Advancement. Your child is required to attend 85% of all meetings to be considered for Investiture and Camporee attendance. Your Pathfinder must be in good standing to be eligible to participate in camping trips and activities. If your Pathfinder cannot attend an activity, phone contact with the Counselor/Director by the parents is required. The absence may be excused but it is the Pathfinder's responsibility to make up any work missed and could result in not being Invested. Understanding the commitment involved with bringing your child to meetings, we recognize perfect attendance for the year by awarding a certificate during the investiture program.
5. Parents are encouraged to attend Pathfinder activities and are expected at the following events: Induction, Pathfinder Sabbath, and Investiture.
6. Check all camping gear and assist in packing proper items for camping trips. Our staff will be glad to help you determine what is essential for a specific trip. For a general guide see Camping Gear Checklist and call their counselor for specifics. Gear Call is required for all Pathfinders. The Pathfinder's gear (clothes, uniform, and sleeping gear) must be brought at the assigned time prior to the event for checking by staff. No gear - No go - No exceptions!!
7. The correct uniform is required at all Pathfinder Activities. The uniform signifies who we are, what we stand for, and is a great witness. Please observe the schedule and ensure your Pathfinder is in the correct uniform for the event. Pathfinders who are not in proper uniform may be dismissed from the activity.
8. Communication is the key to a successful Pathfinder program. Feel free to contact a staff member when you have a question or concern.
